OLD REPUBLIC SURETY COMPANY

FastBond Quick...Easy...Flexible

Quickly secure your Bid, Payment, and Performance Bonds!

Designed for small and emerging contractors, the underwriting of our FastBond program is primarily credit based. This allows for quick processing of the bond with minimal underwriting information.

FastBond Attributes

- ★ Up to $1MM with credit based underwriting
- ★ $1MM - $2MM single or aggregate with financial information
- ★ New streamlined, easy to use application
- ★ Licensed in all 50 states
- ★ Flexible approach
- ★ All construction trades considered
- ★ Immediate response
- ★ Rate is $20/M - $30/M of contract amount
- ★ Will consider site improvement bonds up to $250k

The program is ideal for shorter duration projects for all construction trades. In addition to credit history, our underwriting relies heavily on the agent's knowledge and recommendation of the contractor.

One Box Does Not Fit All

If the contracted project is slightly over $2,000,000, don't let that send you looking elsewhere – Just give us a call! With selected additional underwriting information, we will consider the bond under the same or similar parameters to the FastBond program. We want your business and will work to make it happen for you!

Quickly Increase Your Client's Capacity

As a contractor's business grows, Old Republic Surety wants to grow with them. We are ready and willing to consult with the contractor on the steps necessary to graduate to the next level. We take a collaborative approach and are eager to walk with them through what is needed to qualify for a standard bond program.

Size and Stability

Old Republic Surety Company has a Best's rating of "A+" and is a subsidiary of Old Republic International Corporation, one of America's 50 largest shareholder-owned insurance businesses, which is traded on the New York Stock Exchange (ORI).
