Agent Update

Quantum Home 2.0® Rate Change in California

We're making a rate revision to our *Quantum Home 2.0* product in **California**.

New Rates Will Take Effect

- **May 15, 2025,** for new business and renewals

Customer Impact

- The overall statewide impact will vary based on each customer's individual policy details.

Tips to Help With Retention

- Use the Home Insurance Conditions information to discuss the current marketplace and options to mitigate costs.
- Use the Renewal Premium Compare Tool to see if there are any suggested discounts that could help lower the premium.
- Review the account for all applicable discounts, such as:
  - Multi-Policy Discounts
  - Protective Device Discounts
- Consider a higher deductible to help lower the premium.
