Dear Valued Agent Partner,

We wanted to let you know that we will soon be transitioning our General Liability and Excess Liability programs to Incline Americas Insurance Company, which is rated A- (Excellent), VIII by A.M. Best.

This transition will not impact the quality of coverage or service you and your insureds have come to expect from our program. Our online rating platform will continue to operate exactly as it does today, renewals will be handled through the same process, and all coverages currently available under the program will remain available going forward.

The only change is the insurance carrier supporting this long-standing program. Our team, underwriting approach, and commitment to providing exceptional service and coverage remain unchanged.

For your reference, we have attached information about our new carrier partner, Incline Americas Insurance Company.

If you have any questions or would like to discuss the transition, please don't hesitate to reach out to your underwriter. We value our relationship with you and appreciate your continued trust and support. We look forward to serving you for many years to come.

Thank you for your continued partnership.

Sincerely,
Rob Anderson, President
